Launched on 1st Aug 2013 after a year of hard work, the program is already receiving overwhelming response from all quarters and we hope this will grow with time.

Currently running in 17 schools (16 PMC + 1 unaided) across 5 zones for 2nd and 3rd grade students, CEDE comprises 6 well-defined modules (Value Education, Communication Skills, Health-care & Wellness, Active Citizenship, Art & Culture, Leadership & Teamwork) designed in consultation with educationists, experts and mentors.

As is necessary to sustain any program, funds are an essential element; we hope to crack some great partnerships in the near future.

We thank our propelling force - our donors, well-wishers, change managers and volunteers - we hope this force grows in magnitude in the coming times.

We wish all our readers a very Happy 2014 and hope to see a 'Magical' transformation through CEDE in 2014.
